

Is Your Anhydrous Ammonia Nurse Tank in Compliance With the U.S. Department of Transportation Regulations?

The United States Department of Transportation has informed the industry that they will be stepping up inspections on anhydrous ammonia nurse tanks this fall. Texas Ag Industries Association and the Texas AgriLife Extension will be holding two workshops to help owners of anhydrous ammonia nurse tanks to understand the legal requirements.

Belton, Texas July 20, 2010 Bell County Expo Center, 9:00 to 11:30 AM

Amarillo, Texas August 17, 2010 Warren Cat Facility 9:00 to 11:30 AM

Walter "Tay" Rucker with U. S. Department of Transportation will be conducting the meeting.
